Completely air-conditioned, 20 minutes from the Airport, the Macuto-Sheraton, on the Caribbean, is a paradise between mountains and the sea. Swimming pools, beach, theatre. Luxuriously informal.

Mrs Young, We had a nice flight down. We both enjoyed flying. This is a mountain Country and have 5 tracks on top of each other to the top. We are having some trouble trying to communicate. They speak Spanish. We try to act out what we want. Going into Caracas today. *Shyllis & I am*
