Dearest Phyllis,
I told you I would write you so I thought I had better write. You said I had better write you a good one, well I'll do my best to write you a real good one.

You said Sunday you liked for your boy friend to tell you how much he loved you once in a while, I am your boy friend I hope, and I love you just as much as you can be loved.

I really think you are the sweetest ~~girl~~ girl I have ever seen, and I mean that from the bottom of my heart.

This letter is short but I mean every word of it, because I do really love you. I just hope you can say the same about me. I'll see you Saturday night.

P.S. - I don't know whether you think this is a good letter or not, but I mean it just the same.

Lots of Love always,
Dean
