The 1981 Young family reunion was held on June 7th 1981, at the South Stokes Fire Dept. building. There was a large number of people in attendance (approx. 65). After a meal time prayer a delicious meal was enjoyed by everyone.

Before departing there were awards given to the Oldest person attending (Dacey Young), the youngest person attending, the person or family traveling the most miles, ~~and~~ the family with the most members attending.

(Raymond Young)

There was a short memorial service for family members that had passed away during the past year.
