

56 Young.
Reunion

2002 - Sat. night outings

Sat. June 8 the 2002 Young Reunion had a Bar B Q dinner with all the fixings was held at Dan Youngs House. (The Bar B Q was cooked by Rick Ferrell) Dan had a great set up for us, dining under the big oak trees in the yard with a dance platform for foot tapping to the Bluegrass Band Dan hired which played from the porch. Also Mark Young dressed in his civil war uniform performed a demonstration of firing a musket. He told of our ancestors which fought in the civil war. It was very interesting to hear all the information he has found of these men and their lives. Mark did his presentation while the band took a break, which was also when we played a game. The immediate families got together and listed as many direct ancestors as they could. The winner was -

Dan awarded a CD to each family group a collage of songs he picked with the word Young in them. Everyone Young & Old enjoyed the bands ~~return~~^{talent} and return performance after their break.

The Bar B Q was prepared by Rick Ferrell and David Priddy. Also served were hot dogs w/ all the trimmings. Each family was asked to bring a desert and/or drink so we also had an assortment of sweet goodies.

I was so wonderful to have the number of people which did come this year. We got to see family members that we haven't seen in years.

2006
Dan Young truly went above and beyond
to make sure this was a Young Reunion
to remember. I was such a success many
expressed they would like to have
all yearly reunions in this manner.

56 Young
Reunion

2002 meeting at Church

It was decided to have our traditional Sunday Reunion meeting in addition to the Sat. outing. On Jun 9 we met at the Palmyra Church Fellowship Hall. We were a small group but as always had good eats.

Jackie Thompson asked grace before our meal. After enjoying more delicious food, The minutes were read of 2001 meeting by Rick Ferrell (due to Kim Ferrell hoarseness).

Jackie Thompson then delighted us with his beautiful bass voice by singing, Let there be Peace on Earth. He also lead us all in 3 verses of Bless be the ties that Bind.

The deceased of our family from our last Reunion that we are aware were:

Ruby Young Hanes (Frank Youngs daughter)
Vivian Caudle Haley (Hattie Young Caudle) daughter
Frances (Duck) Young Jewellen (Earl Young daughter)
Bill Mahle (Husband of Emma Lou Southern Mahle)
Garland Sizemore (Husband of Lorraine Young Sizemore)
